# Notan Reviewing

A hand-drawn sketch of a mobile app screen titled "Privacy Settings". At the top, there is a status bar with two dots. Below it, the screen contains three toggle switches, each with a label to its left: "Private account", "Age Restrictions", and "Show current Restaurant". Each toggle switch is currently in the "off" position.

Privacy Settings

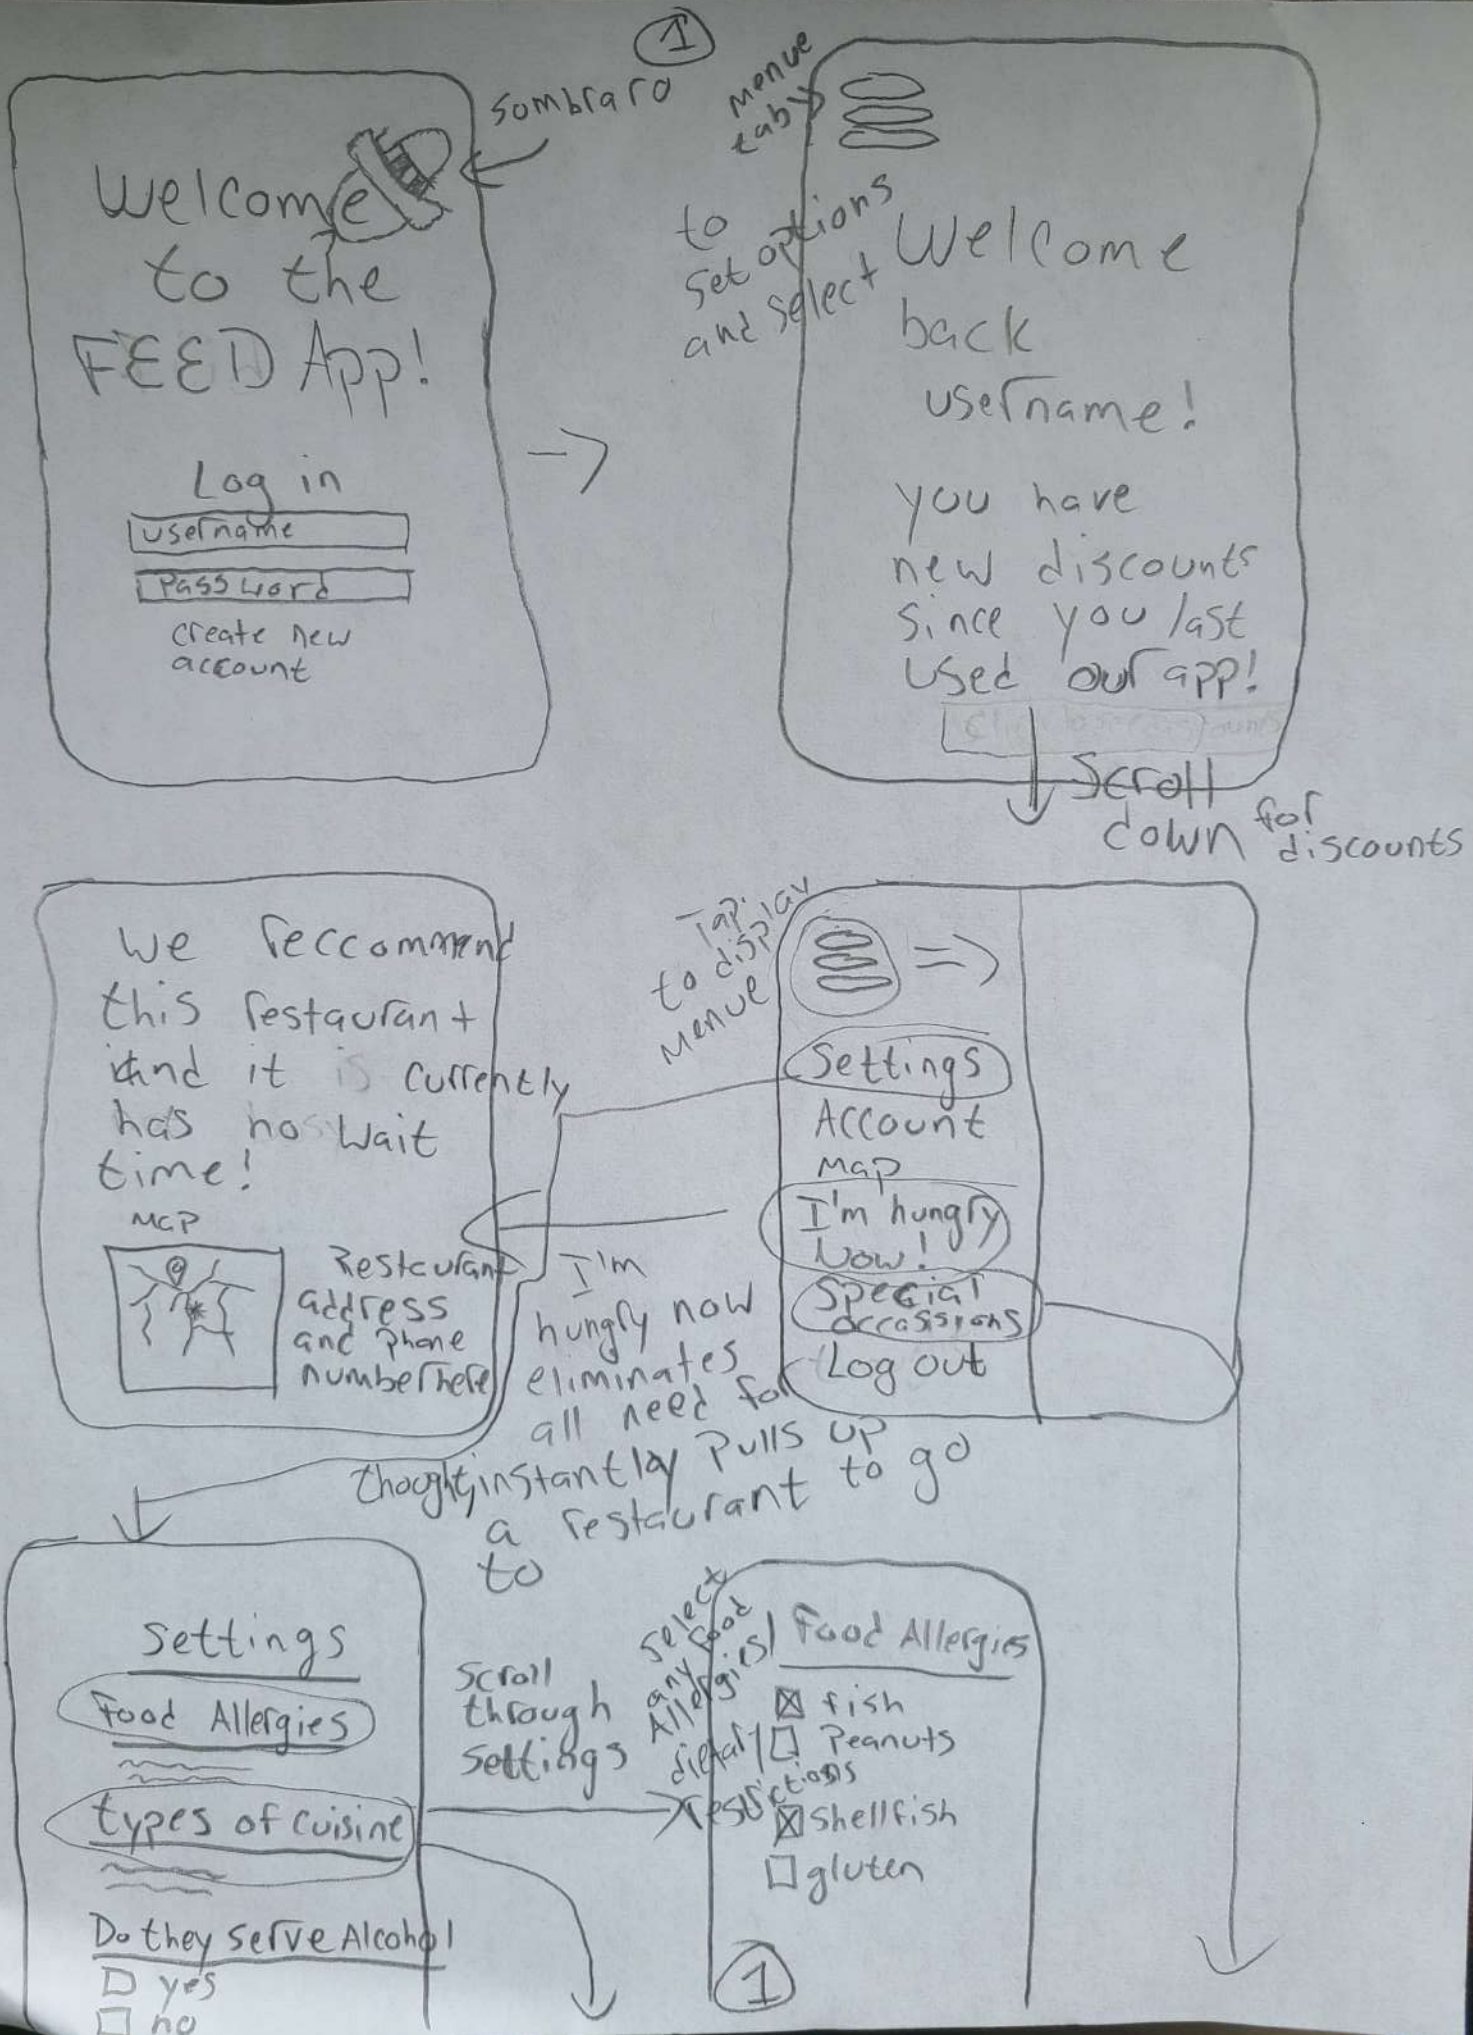

A hand-drawn sketch of a mobile app screen titled "Featured Restaurants". At the top, there is a status bar with two dots. Below it, there are two buttons: "Search" and "Filter". The main content area is filled with several horizontal lines representing a list of restaurants. At the bottom, there is a button labeled "Surprise me".

food

A hand-drawn sketch of a mobile app screen titled "Filter". At the top, there is a status bar with two dots. Below it, the screen contains several input fields and controls: "max Distance" with a text input field, "max Price" with a text input field, a currency symbol "\$" followed by a minus "-" button and a plus "+" button, "excluded cuisines" with a text input field, and "included cuisines" with a text input field.

Filter

A hand-drawn sketch of a mobile app screen showing a list of restaurants. At the top, there is a status bar with two dots. Below it, the screen is divided into four columns: "Restaurant", "Price", "CWB Rating", and "Distance". The bottom section of the screen contains four buttons: "Pick Random using Filter", "order through delivery", "Try something new", and "add to favorites".
